

Quick Guide for Interim Module Assessments (IMAs) Reports

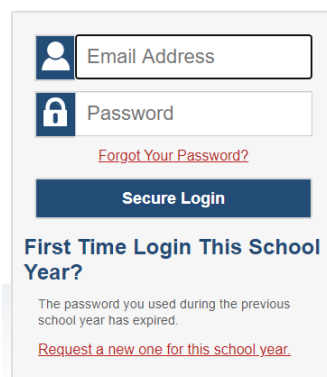

Important: For teachers to view reports, the principal/school coordinator must create rosters to associate students to a teacher. Please use the **Quick Guide for How Principals Create and Manage Rosters in TIDE** available on the [WV Assessment Portal](#).

1. On the [West Virginia Assessment Portal](#) (wv.portal.cambiumast.com), select the **Test Administrator** icon. The **Test Administrators** page appears. Select the **Reporting** card. The log in page appears.

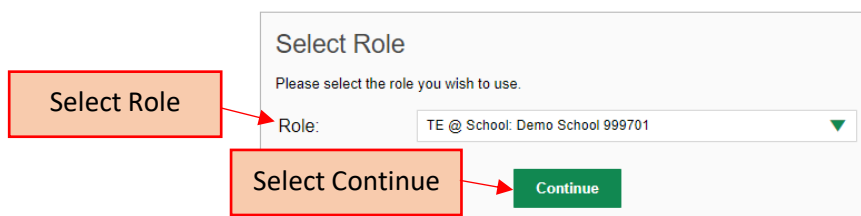

2. Enter your username and password and select **Secure Login**. If this is your first time logging in this school year, you will need to select **Request a new one for this school year** in order to reset your password. The Reporting site appears.

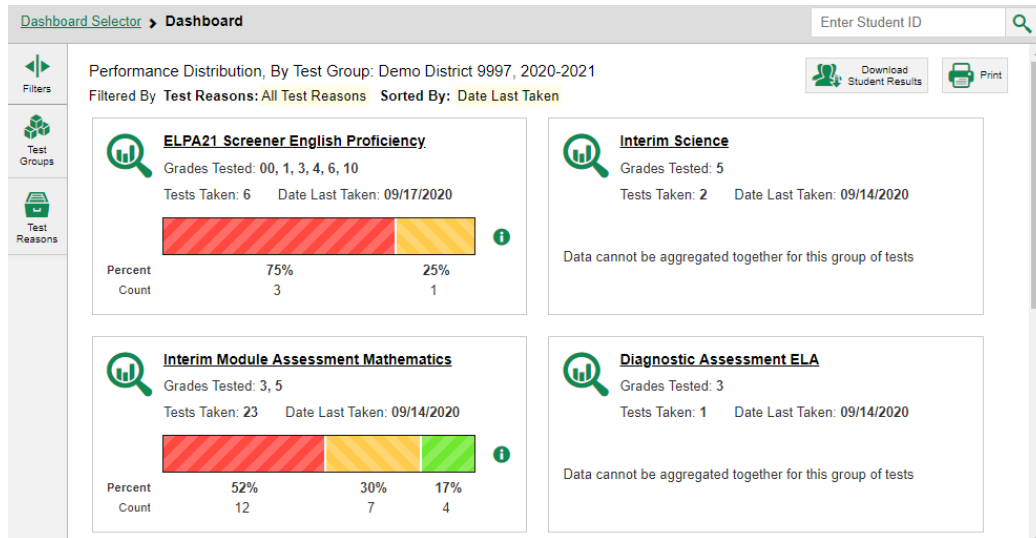

Login

A login form with a light gray background. It contains an "Email Address" input field with a person icon, a "Password" input field with a lock icon, and a "Forgot Your Password?" link. Below these is a dark blue "Secure Login" button. Underneath the button, it asks "First Time Login This School Year?" and provides a "Request a new one for this school year" link for users whose passwords have expired.

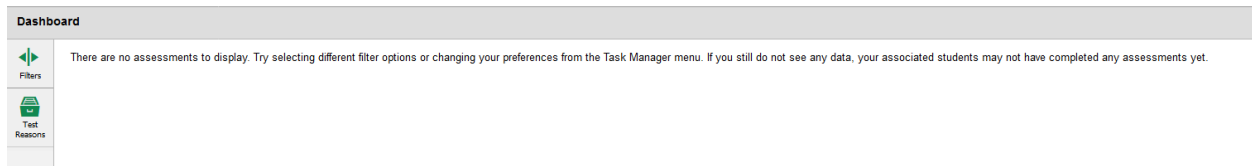

3. Select your **Role**. Select **Continue**. The teacher-view Dashboard appears.

A "Select Role" form with a light gray background. It prompts the user to "Please select the role you wish to use." and features a dropdown menu currently showing "TE @ School: Demo School 999701". A red box labeled "Select Role" points to the dropdown. Below the dropdown is a red box labeled "Select Continue" pointing to a green "Continue" button.

4. After you click **Continue**, the **Dashboard** appears.

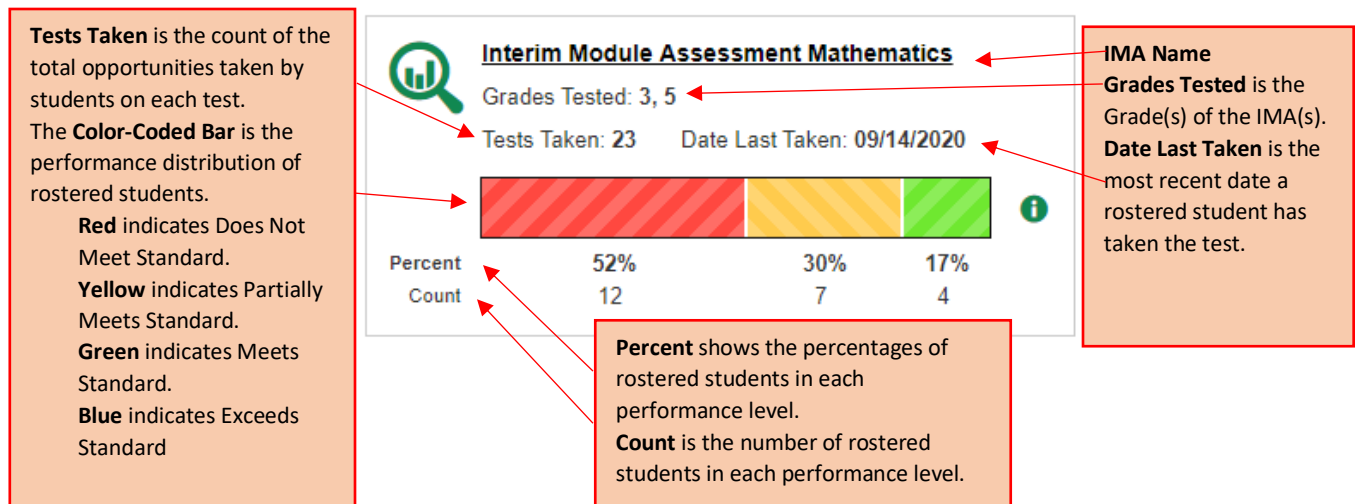

Dashboard **IMA** data appears for teachers, **if the teachers have rosters and if rostered students have completed an IMA**. If these two conditions have not been met, teachers will see this message.

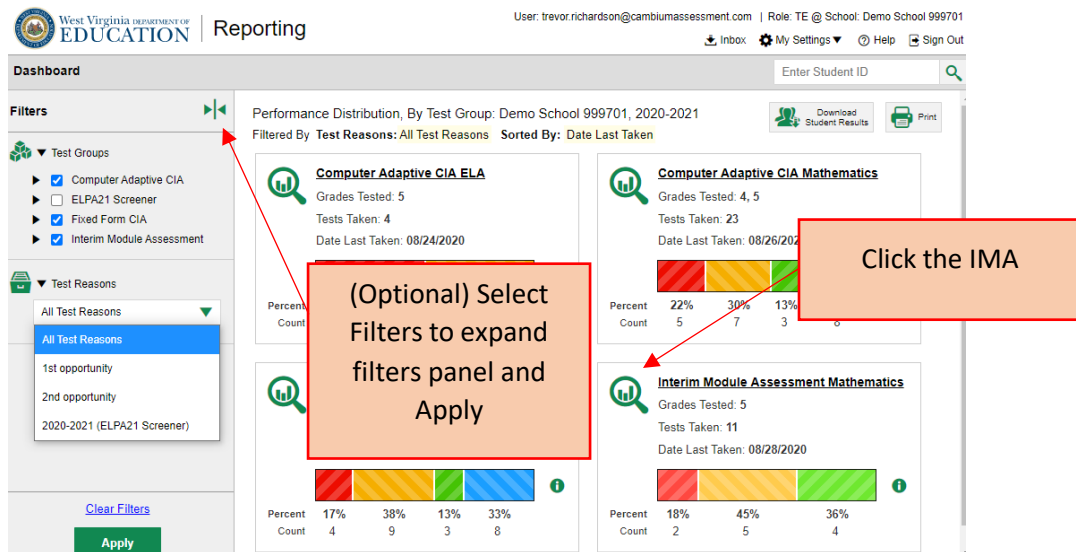

Contact your principal and/or district test coordinator if you have administered an IMA and receive this **Dashboard** message.
