Student Guide Secure Browser

Important: This is NOT available for iPads.

If the student's device is a . . .	. . . then the student uses the following software:
Desktop, laptop, MAC or Chromebook	Student Secure Browser must be installed on the student's device

Student Sign-in Using Student Secure Browser on Computer or Chromebook

1. Launch the secure browser on your device.

2. The *Student Sign-In* page appears.

3. Enter the following information:

    a. In the *First Name* and *Student ID* fields, enter your first names and SSIDs. Your first name should match the name indicated in WVEIS. Do not use nicknames.

    b. In the *Session ID* field, enter the session ID provided by your teacher. This ID is created by the teacher when they start a test session.
